

## **FRAMEWORK & OPERATIONAL STANDARDS FOR CROSS-BORDER TRANSACTIONS**

### **1. Objective**

**Indian Overseas Bank ("the Bank")** is committed to providing transparent, efficient and time-bound services for eligible cross-border transactions. This Framework aims to provide customers with clear information on cross-border transactions, documentation requirements, processing timelines, applicable charges and grievance redressal mechanisms. It seeks to ensure consistent service standards across branches and offices, promote transparency in transaction processing, strengthen customer service and regulatory compliance, and establish an effective system for customer feedback and continuous service improvement.

### **2. Scope**

This Framework covers customer-facing processes relating to **Current Account Transactions** and **Capital Account Transactions** under FEMA. Current Account Transactions include inward and outward remittances, export and import transactions, trade finance services, and remittances under the Liberalised Remittance Scheme (LRS). Capital Account Transactions include Foreign Direct Investment (FDI), Overseas Direct Investment (ODI), External Commercial Borrowings (ECB), other capital account remittances, acquisition or transfer of capital assets, capital account transactions under LRS, and other transactions permitted under FEMA and applicable regulatory guidelines.

### **3. Transaction Categories**

| <b>Category</b>             | <b>Description</b>                                                                                                                                                                                         |

| Current Account Transaction | Transactions relating to trade, services, travel, education, maintenance, gifts, income and other permissible current account transactions permitted under FEMA/ RBI and applicable regulatory guidelines. |
| Capital Account Transaction | Transactions which alter assets or liabilities outside India of a resident or in India of a non-resident permitted under FEMA/ RBI and applicable regulatory guidelines.                                   |
| Trade Transaction           | Imports, exports, documentary credits, collections and trade finance permitted under FEMA/ RBI and applicable regulatory guidelines.                                                                       |
| Non-Trade Transaction       | Remittances not directly related to import/export of goods or services permitted under FEMA/ RBI and applicable regulatory guidelines.                                                                     |

### **4. Regulatory Framework**

All cross-border transactions shall be governed by the provisions of the Foreign Exchange Management Act (FEMA), 1999, and the rules, regulations, directions and master directions issued thereunder by the Reserve Bank of India (RBI). Transactions shall also be subject to the applicable provisions of the Foreign Trade Policy (FTP), FEMA Rules, internationally accepted trade finance practices including UCP 600, URC 522 and ISP 98, and the Bank's internal policies, operational guidelines and procedures, as amended from time to time.

### **5. Customer Responsibilities**

Customers are required to provide complete and accurate information, select the appropriate purpose code, submit prescribed other supporting documents and comply with applicable FEMA, RBI, DGFT and other regulatory requirements. Customers shall also furnish post-transaction documents or evidence, wherever applicable.

The Bank may seek additional information or clarification, defer processing pending receipt of the required information, or decline transactions that do not meet regulatory, compliance or documentation requirements.

## 6. Processing Structure
