

NOTICE TO THE CUSTOMER

INDIAN OVERSEAS BANK COLOMBO

PROTECT YOUR BANKING TRANSACTIONS

Dear Valued Customer,

Your security is our priority. Please follow the important guidelines below to safeguard your hard-earned money:

1. Protect Your Personal Information

Never share sensitive information such as your passwords, PINs, OTPs (One-Time Passwords), or any other confidential banking details with anyone under any circumstances. This information is strictly private and plays a critical role in protecting your financial assets.

2. Control Access to Your Account

Do not allow third parties to operate or access your bank accounts. In the event of unauthorized transactions, you may be held responsible and required to cooperate with law enforcement authorities during investigations.

By staying vigilant and following these simple precautions, you help protect your funds and contribute to a safer banking environment for everyone.

Stay alert. Stay secure.
